\*All loans are subject to approval based on credit worthiness, qualifications and collateral conditions. No prepayment penalties with early payoff. No annual fee. Other fees may apply. A risk-based pricing model is used to determine final rate, margin & available terms. Interest rate is locked in at time of application for Home Refinances. Some Home Purchase loan products have rates locked in at time of application, others have variable rates. Home Equity Lines of Credit have a variable APR based on industry index and borrower's credit worthiness. Please speak with a Lending Specialist for full details and to find the home product to best suit your needs. Borrowers may be responsible for managing their escrow accounts on applicable products. Minnequa Works CU is federally insured by NCUA and is an Equal Housing Opportunity lender.
